## SUMMARY

An enthusiastic software engineering student, with a special interest in data and software engineering. Has experience in using programming languages. Possesses a profound passion for the software engineering domain, adept at solving intricate problems, and excels in collaborative team environments. Committed to continually expanding skills and enriching professional experience.

## EDUCATION

### Politeknik Enjinering Indorama

*Bachelor of Applied Computer Science in Software Engineering Technology Major*

**Purwakarta, West Java**

Sep 2021 – Sep 2025

- **GPA:** 3.58 / 4.0
- Relevant Coursework: Software Analysis & Design, Object Oriented Programming, Software Project Management, Web Programming, Android Programming, and Cloud Computing.

## EXPERIENCE

### PT. Sava Jaya Anugerah

*Full-stack Web Developer*

**Bekasi, West Java**

Sep 2024 – Des 2024

- Contribute to Inventory, HRIS and Investigation System using Laravel and jQuery AJAX to streamline internal operations.
- Contributed to a team effort that successfully defined project goals and implemented new features within a set timeframe.

### Bangkit Academy led by Google, Goto & Traveloka

*Cloud Computing Cohort*

**Indonesia**

Feb 2024 – July 2024

- Completed a Cloud Computing Curriculum from basic to advanced with Google Cloud Platform.
- Collaborated to build an application to scan food nutrition.

### Compunova

*Backend Developer*

**Purwakarta, West Java**

Mar 2024 – Present

- Developing backend functionalities for a web-based application using laravel framework.

## ORGANIZATION EXPERIENCE

### Software Engineering Student Association

*Treasurer*

**Purwakarta, West Java**

Dec 2023 – Oct 2024

- Develop and oversee the organization's budgets, financial reports, and financial policies in accordance with AD/ART and applicable regulations.

### Journalist Student Activity Unit

*Staff of Human Resources and Development*

**Purwakarta, West Java**

Jul 2023 – Nov 2024
